Subject: Re: Cottonwood Creek HOA/Water Rights Application for Permit 37-22594 & Transfer 76280

Allen,

Confirming our recent telephone conversation I will be representing the applicant, Cottonwood Creek Homeowners Association, in these pending application proceedings. I understand you will first finalize a letter of instructions to the Watermaster concerning delivery of these and other water rights that have points of diversion or rediversion out of Purdum Slough. Then you will issue the preliminary orders of approval with conditions for these applications which will no longer include the decreed point of diversion at the head of Purdum Slough. As we discussed, the Association opposes this change to their decreed rights as it may significantly inhibit their ability to receive delivery of these rights in accordance with their senior priority dates. Please send me a copy of the letter to Kevin Lakey once it is complete.

Thank you.

Jim
