RE: Cottonwood Creek Homeowners Association- Irrigated Area Delineation
within Place of Use for T76280.

Dear Allen,

Per your request noted in the attached email correspondence dated July 5th, 2011, Brockway Engineering has identified the 36.5 acres to be irrigated within the Cottonwood Creek subdivision. It is my understanding that with the attached map and land list, IDWR will be able to continue processing water right transfer 76280. I appreciate your patience on this matter.

Please copy our office on all correspondence regarding the water right transfer and permit applications in the name of the Cottonwood Creek Homeowners Association. Don't hesitate to call our office should you have any further questions or comments. Thanks for your time and assistance on this matter.

Regards,

Zach Latham, M.S., Hydrologist
