RE: Notice of Change in Water Right Ownership for Right 34-10684

Dear Mr. and Mrs. Stilson:

In February 2010, you filed a Notice of Change in Water Right Ownership ("ownership change") for a ground water right near Arco. Water right 34-10684 is for stockwater and domestic use. The stockwater portion of the right is located in the **NWNE** and **NENW** of Section 25, Township 04 North, Range 25 East. The domestic portion of the right is located in the **NESE** of Section 25.

On February 11, 2010, we sent a letter, asking you to provide a deed showing ownership of the property described in the water right. You provided a warranty deed showing ownership of the **NENE** of Section 25. On February 18, 2010 we sent a second written request, again asking for a deed showing ownership of the **NWNE, NENW, or NESE of Section 25**. We have not received any other deeds from you showing ownership of the property.

This letter is meant to notify you that we are returning your ownership change and are refunding your filing fee (\$25). A check from the state of Idaho should arrive within two weeks. Please feel free to re-file your ownership change when you have obtained deeds showing ownership of the **NWNE, NENW, or NESE of Section 25** or a deed specifically describing the conveyance of water right 34-10684. Feel free to contact me if you have any questions.

Sincerely,
