RE: Change of Water Right Ownership 23-61

Dear Claimant:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

We emailed you on July 14, 2009 (copy enclosed) indicating additional information is needed to process your change form. As of today, we have not received the requested information. Therefore, please consider this letter our 2nd request for the information needed to process your change. The information required is indicated below:

XXX Recorded copy of Quit Claim Deeds from the property owners releasing their interest in the water right.

XXX Quiet Title Action

Because the Department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary information or fees. If we do not receive the necessary information or fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Bobby Kern
Office Specialist II
