RE: Notice of Change in Water Right Ownership

ATT: Emalee Rushing

Dear Emalee:

Please find enclosed a completed application for transfer, along with my check in the amount of \$100. As noted on the application, this will correct the records to show the point of diversion and place of use are located on my property. I am in the process of obtaining letters from the Forest Service and BLM, stating they are in agreement with the transfer.

I appreciate all of the help you have provided in this matter and I am hoping this will be all that is needed to correct the records and update the ownership of the water right.

Thank you,

Della Brower
