Dear Mr. Merritt:

**RE: Transfer Consent:
Transfer #77377, 72-07501, Della D. Brower**

By this letter I state that I have the authority to act on behalf of the United States, Dept. of Interior, Bureau of Land Management (U.S.D.I., BLM), with myself as its agent, to the matters discussed herein.

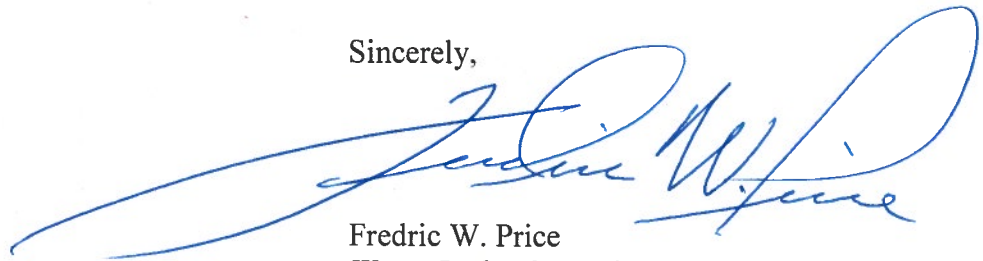

Della D. Brower filed this transfer to change the current erroneous licensed description of the Point of Diversion ("POD") and Place of Use ("POU") to be that of the actual location of the POD and POU. The current licensed description is SENE, S25, T11N, R16E which describes federal public lands administered by the BLM and Forest Service. The transfer seeks to describe the actual intended location of the POD & POU as Lot 5 (NESE), S25, T11N, R16E which is land Ms. Brower owns as private property. See attached map.

I understand that the Idaho Department of Water Resources cannot complete such a transfer of water under a water right without the notarized consent of the landowner where the water right describes land not owned by the transfer applicant.

On behalf of the United States and the U.S.D.I., BLM, my notarized signature below provides the necessary consent to facilitate the transfer. The United States' non-opposition to the application for transfer does not represent recognition by the United States of the claim elements nor their validity.

If there are questions regarding any statements above, please do not hesitate to contact me at (208) 373-3831 or at the address provided above.

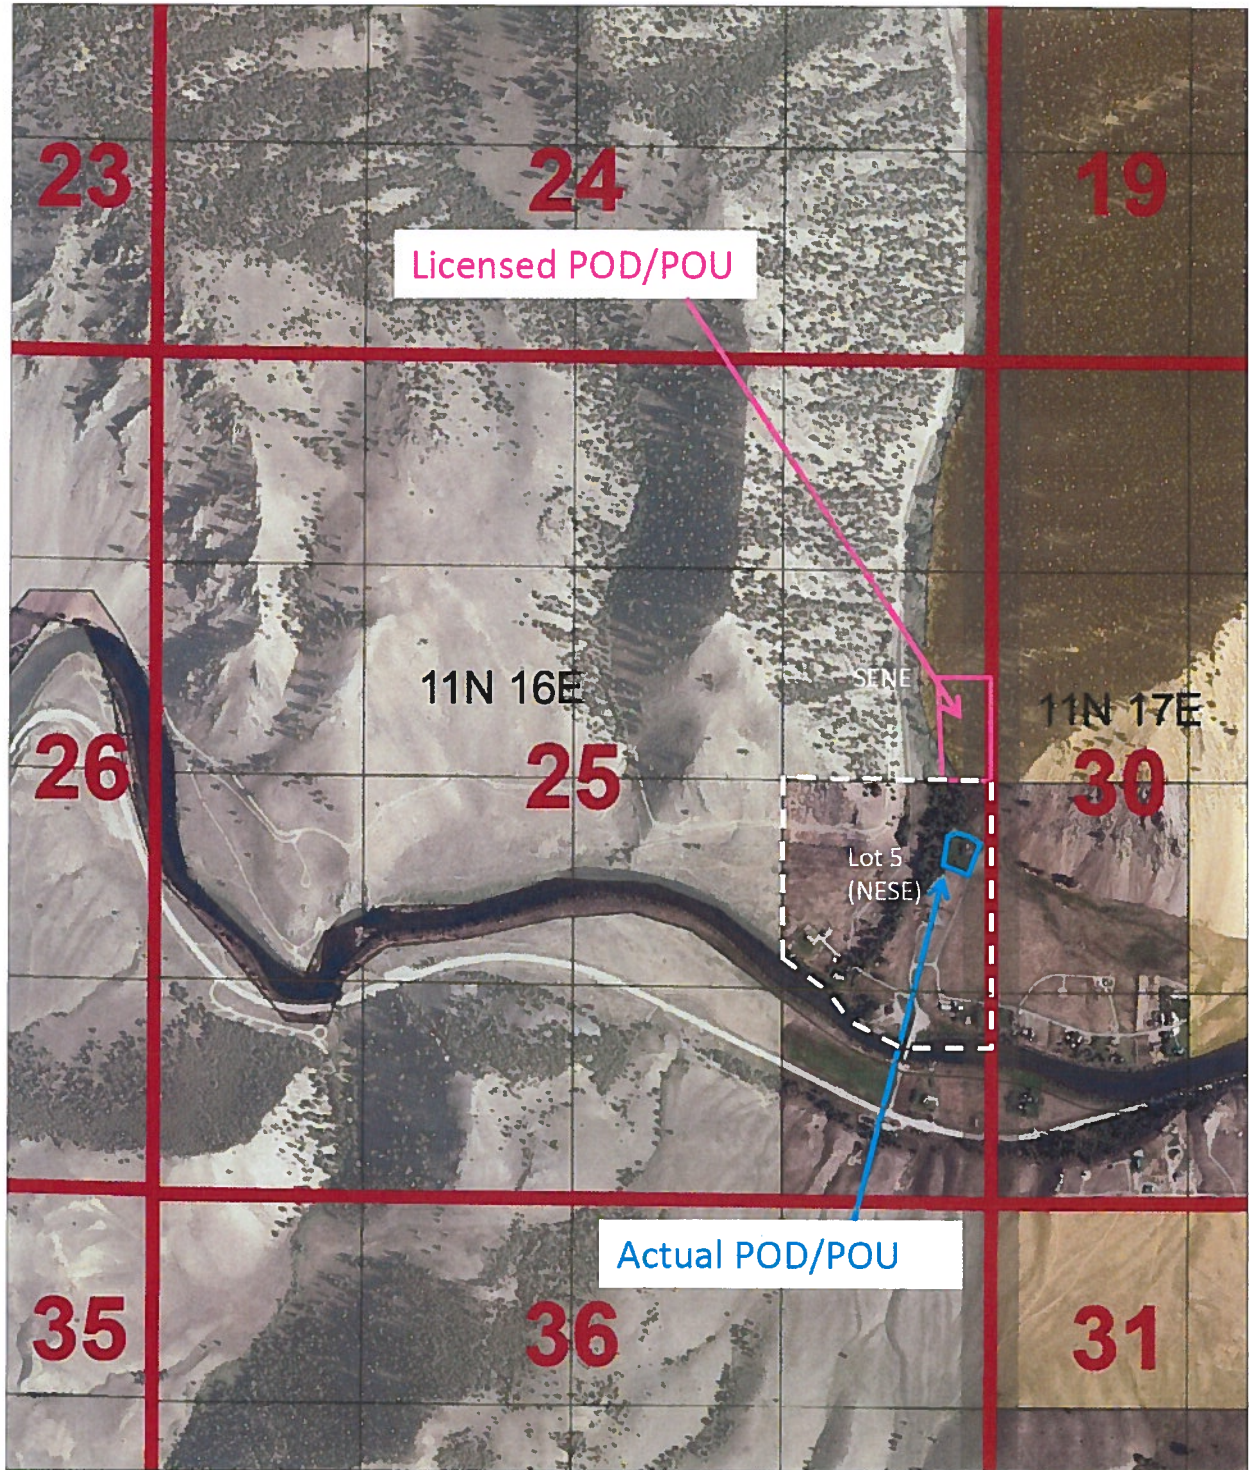

Sincerely,

A handwritten signature in blue ink, appearing to read "Fredric W. Price", with a large, sweeping flourish extending from the end of the name.
