RE: Ownership Change for Water Right No. 85-15335.

Dear Mr. Wiltse:

In reviewing the file, it has come to our attention that the property involved with the point of diversion and place of use for water right No. 85-15335 has changed ownership, and is currently owned by you. We would like to give you the opportunity to submit an ownership change form, to have completed and returned to our office by October 4, 2011. If the ownership change form is not received by that time, we will continue the review process, and issue the license under the permitted name of: Raymond A Petersen.

If you have any questions, please contact me directly at (208) 287-4920.

Sincerely,

Sandy Hemenway  
Sr. Water Resource Agent
