RE: Change in Ownership of Water Right No. 2-10376

Dear Mr. Vulcan:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

The department received a copy of a quitclaim deed, recorded as 200658308, which does not list the current water right holder of record as the person conveying the property. In order to process the ownership change, a chain of title back to the water right holder of record (Montierth) or a chain of title back to the most recent warranty deed will be required. I also note that you listed only your name on the notice, but the quitclaim deed states that the property was conveyed to Ionel Vulcan and Isabele F. Vulcan. When the ownership of the water right is updated, it will be updated based on the names listed on the most recent deed.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,
