RE: Abandonment of Water Right 65-3336

Dear Mr. and Mrs. Sawyer:

The Department of Water Resources acknowledges receipt of your Notice of Abandonment of Water Right 65-3336. We have interpreted this notice to mean you no longer have an interest in this water right. The ownership of this water right has been updated to be in the names of Harley and Winifred True.

The two forms submitted each listed water right 65-3336, one was signed by Miller Sawyer and the other form signed by Larry Sawyer. There was no mention of water right 65-3337. I am enclosing another form for your use, should you intend to abandon your interest in water right 65-3337.

If it was your intention to retain your interest in the 6.8 acres of irrigation that is associated with parcel nos. RP00365705 and RP00365703, no further action is required by you. In that case, it will be up to the new owner to submit an additional \$75 to divide the water right.

Please feel free to call me at 208-287-4952 if you have any questions regarding this matter.

Sincerely,

A handwritten signature in cursive script that reads "Emalee Rushing".
