DEPARTMENT OF
WATER RESOURCES

WA

We recently received a letter stating that our Water Right No. 55-7461 is in the trust water area in Owyhee County.

On 8-4-2011 we were informed that our water right is not in the trust water area as noted by Shelley Keen on the water right on 8-1-2011. In order to avoid the possibility of future review of this water right, I am requesting that the condition concerning trust water be removed.

Please let me know if you have any questions.
