Water Right License

WATER RIGHT NO. 37-07822

4. Modifications to or variance from this license must be made within the limits of Section 42-222, Idaho Code, or applicable Idaho law.
5. Use of water under this water right will be regulated by the watermaster of State Water District No. 37.
6. Use of water under this right shall be non-consumptive.
7. The issuance of this right does not grant any right-of-way or easement across the land of another.
8. Measuring devices of a type approved by the Department shall be maintained at the points of diversion.
9. The Director retains jurisdiction of this right to require installation of measuring devices at the points where water returns to the Big Wood River.
10. This project shall be operated in a manner that will not conflict or interfere with the future upstream diversion of water for irrigation or other beneficial consumption.
11. Upon a future determination by the Department of Water Resources that water is lost to the injury of prior right holders, the losses shall be replaced from a source acceptable to the Department.
12. The water shall be returned to the Big Wood River at the discharge point located in lot 31, Gimlet 11 Subdivision, located within the SENE Section 7, T03N R18E B.M.
13. Water diverted under this right shall meet Idaho Water Quality Standards.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed this 6th day of October, 2011.
