Re: Water Right Claim Nos. 47-14811, 47-14812, and 47-14813; Notice of Change in Water Right Ownership Form

Dear Ms. Rushing:

Enclosed herewith you will find a completed Notice of Change in Water Right Ownership form relating to Water Right Claim Nos. 47-14811, 47-14812 and 47-14813 and our \$75.00 check in payment of the filing fees.

Although we have filled out the enclosed notice to reference changes in ownership, there is actually no ownership change - just a change of the name of the owning entity. Currently the owner of the water rights is referenced by its assumed business name (Y3 Ranch) rather than its formal name. The formal name of the entity is Y-3 II, the Y-3 II is an Idaho general partnership. Y-3 II acquired the land to which the water rights are appurtenant, on May 13, 1988 (see the enclosed deeds recorded on May 23, 1988 as Instrument Nos. 939627 and 939630 in the Official Records of Twin Falls County).

Please process the enclosed Change in Water Right Ownership form to reflect the ownership of the above referenced Water Right Claims in the name of Y-3 II. If you need any additional information please contact me.

Thank you very much for your attention to this matter.

Best Regards,
