T13N R28E S10 NESW

The purpose of the transfer is to change a portion of the above rights as follows:

This application proposes the diversion and use of water from spring tributary of McGinty Creek a tributary of the Salmon Wild & Scenic River. The decreed minimum stream flow rights for the federal Wild & Scenic Rivers are subordinate to certain categories of water use and to specific amounts of water use established after the minimum stream flow. The water use proposed in this application will benefit from the subordination provision because it is for stockwater purposes.
