RE: Water Right application 74-15449

Dear Mr. Jakovac;

It was a pleasure speaking with you on the telephone this afternoon, per our discussion I am enclosing a copy of the original application that was submitted in 2004, a revised application correcting the place of use and two maps.

On one of the maps, I completed the place of use, which is colored in red lines. The second map does not have a place of use outlined, if you need to make corrections please outline them here.

If everything looks good on the new application, please sign and return.

If you have any further questions, please let me know.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Kerrie'.
