Hey Lori,

I received a field exam report from you for 63-12601. Since proof had previously been submitted along with field examiner fees, you have requested a refund of \$50 paid under C080045, to Mallard Farms, dba W&H, LLC.

You also submitted an assignment of permit from Mallard Farms to W&H, LLC, but didn't include the \$25 filing fee.

I could apply \$25 of the \$50 paid under C080045 and just refund the remaining \$25 if Mallard Farms and W&H LLC are the same entity (I don't know what **dba** means in **Mallard Farms, dba W&H, LLC.**)

Or we could just refund the whole \$50 and I can return the assignment of permit so it can be resubmitted with a new check for \$25.

Let me know what you think.

Thanks,
Craig
