RE: Change of Ownership for Sun Valley Company
Water Right Nos. 37-415, 37-416, 37-2678, 37-2710, 37-2722a, 37-4108, 37-7170, 37-7340,
37-12111, 37-22105 and 37-22106
Assignment of Permit for Water Right Nos. 37-8575A and 37-8798
Assignment of Application for Permit for Water Right No. 37-8885

Dear Tiffany:

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights. The department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records except for water right 37-2722A.

Water right 37-2722A was decreed disallowed by the SRBA court on March 16, 2009, and is no longer a valid water right. I have requested the \$25 filing fee be refunded. I have also requested a refund of the filing fee for 37-2710. This right has not yet been decreed by the SRBA court and is exempt from the filing fee. You should receive a \$50 check from the state controller's office in the next couple of weeks. I have asked that it be sent to your attention.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Trish Fawcett
Technical Records Specialist
