RE: Change in Ownership Water Rights 31-12051, 31-12053 and 31-12055

Dear Sir:

Enclosed is the Notice of Change in Water Right Ownership for the above numbered water rights, a copy of a Special Warranty Deed for Water Right, a copy of portions Real Estate Mortgage, and a copy of a Tax Notice for Lloyd Barzee.

Transfer #73907 was a result of the response to a Notice of Violation for Mr. Barzee. Mr. Barzee was able to lease portions of the parent water rights of the above numbered water rights to cover lands that did not have a water right. The transfer split water rights 31-11399, 31-11405 and 31-11407 into water rights 31-12051, 31-12053 and 31-12055. The place of use of water rights 31-12051, 31-12053 and 31-12055 was and is on lands owned by Mr. Barzee. Mr. Barzee has been able to purchase these water rights and hence the change in ownership.

Please feel free to contact me if you have any questions or concerns or need any additional documentation.

Sincerely,

A handwritten signature in black ink that reads "Keith C. Wilson". The signature is written in a cursive style with a horizontal line underneath the name.

Keith C. Wilson

Senior Water Rights Analyst
