RE: Transfer Proposed 77288 - ADTD Farms

Dear Mr. Gerratt:

I have enclosed a copy of the proposed transfer we talked about and which I said I would put together. It ties together 8 wells and creates a permissible place of use (PPU) of approximately 1429 acres for 17 water rights. If you still wish to pursue this transfer, please look it over and if it appears to reflect your intentions, sign on page 3 and return it to me with the filing fees of \$2,100.00 by September 9, 2011.

There also appears to be a Security Interest on your rights filed by D L Evans Bank so I will need a letter from them agreeing to the transfer.

If you have any questions, feel free to contact me at the office or call for an appointment.

Sincerely,

Jeanie Robertson
Senior Water Resource Agent
