

MEMORANDUM

Date: September 14, 2011
To: Transfer 77288
From: jroberts
Re: Legal Notice Remarks

This transfer combines 17 ground water rights from 8 existing wells, 3 of which are located within the Raft River Critical Groundwater Management Area, authorized for the combined total diversion of 21.81 cfs & 5,111.2 AF and places them in a permissible place of use (PPU) of 1,429.0 acres, limited to 1,418.2 acres during any given irrigation season. No new wells will be drilled. Location of the proposed place of use and existing wells is between ½ mile north and extending about 3 miles south of Yale Road, between 1½ - 4 miles east of Interstate 84, and approximately 12 miles north of Malta.
