RE: Notice of Change in Water Right Ownership

Dear Water Right Holders:

The Department of Water Resources is in receipt of your notice of change in water right ownership. Water right 37-2586 has been divided, with your portion being numbered 37-22662. The ownership of water right 37-13166 was also updated. Water right reports for each water right are enclosed.

Water right 37-13164 is for domestic use and does not appear to be appurtenant to your parcel. I believe the home is located on the property to the west of your parcel. I have enclosed a copy of a map which was part of the claim file that indicates the location of the point of diversion (POD) and place of use (POU). If you have documentation which indicates that the water right (home) was located on your property, please submit that information for review.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Each water right has a specified point of diversion, nature of use and place of use. If you plan on changing any of these, including adding a new point of diversion, then an Application for Transfer on your portion of this right is required. If you do not plan on changing any items on your water right, then no further action is required at this time.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Emalee Rushing
Office Services Supervisor
