CONDITIONS OF APPROVAL

- Domestic use is for 1 home.
- The domestic use authorized under this right shall not exceed 13,000 gallons per day per home.
- This right does not grant any right-of-way or easement across the land of another.
- Upon specific notification by the Department, the right holder shall install a lockable device of a type acceptable to the Department in a manner that will provide the watermaster suitable control of the diversion.
- Any license issued by IDWR pursuant to the right or portion thereof for the use of trust water is subject to a term review of 20 years after the date of this approval to determine availability of water for the use and to re-evaluate the public interest at the end of the term.
- The irrigation occurring under this domestic use shall not exceed 1/2 acre.
- Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 140.

This license is issued pursuant to the provisions of Section 42-219, Idaho Code. The water right confirmed by this license is subject to all prior water rights and shall be used in accordance with Idaho law and applicable rules of the Department of Water Resources.

Signed and sealed this 28th day of September, 2011.
