PROOF ACKNOWLEDGMENT LETTER

RE: PERMIT NO. 63-31339 & 63-31340

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use forms and examination fees submitted for the above referenced permits. Enclosed are two orders reinstating the permits and advancing the priorities since proof was submitted after the proof due date. I am enclosing copies of the proofs you filed. The next step in the process of developing a water right is for the department to contact you to schedule a field examination to determine and confirm the use being made of the water, and that it meets the permitted beneficial uses. At the time the examination is conducted the system must be in operation, otherwise this permit will be of no force nor effect.

Upon review of your proof for 63-31340, I find that you paid \$50.00 for the license examination fee. The department waives the license exam fee for groundwater rights with a diversion rate of 0.04 cfs or less. Since this waiver applies to 63-31340 right, I have requested that the State of Idaho issue you a check for \$50.00. This check will be mailed to you within 7-10 business days.

Be advised that Section 42-248, Idaho Code, requires you or the owner of these water rights to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.
