RE: Change in Ownership Water Right No. 31-10696

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Water Right Ownership:** In order for the department to complete your application a full chain of title is required. The chain will need to go back to Dawnella Barney and E Randall Barney who listed as current owners of the water right according to the records filed with the department. On March 4, 2011 the department requested a copy of a recorded deed from Dawnella Barney and E Randall Barney to the Trust of Edgar R and Dawnella Barney and The Edgar R Barney Family Trust. Please supply the documentation at your earliest convenience.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
