Re: Application for Water Permit No. 74-15949 (Pratt Creek Ranch LP)

Dear Lyle,

The Idaho Fish and Game Department (IDFG) has reviewed the above application for a diversion of 0.04 CFS of surface water from a spring source to provide domestic water near Salmon, Idaho. IDFG believes that approval of this application will not significantly impact fishes or aquatic resources. Thank you for the opportunity to comment.

Sincerely,
