RE: Notice of Change in Water Right Ownership
Water Rights: 27-12183

Dear Sir/Madam:

The Idaho Department of Water Resources has recently received your Notice of Change in Water Right Ownership ("ownership change") for the water rights listed above. An initial review of the ownership change indicates that additional documentation is required before your application can be complete. On May 5, 2011 the department contacted you requesting the legal description page of your Warranty Deed. Please supply the department with a full copy of your recorded Warranty Deed at your earliest convenience.

Because the Department cannot process the ownership change without proper documents/fees, we will hold any action on your ownership change pending receipt of the necessary documents/fees. If we do not receive the requested documents/fees within 30 days, we will return your ownership change and all attachments and will refund any fees paid.

Please feel free to contact me if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
