Hi Cherie,

In May of 2003 the IDWR office in Coeur d'Alene sent to Boise the change of ownership file request for WR 95-2127 requesting the ownership change from Owen F. Jacklin to Jacklin Land Company. I think we will need to split that WR but would like to see what you have in your file from us first. Could you please fax what you have to me at 208-777-4080?
Call if any question 208-773-6745, tks.
Pat
