RE: Change in Ownership for Water Right Nos. 95-2124 95-2127 & 95-7045

Dear Interested Party:

Our letters of August 14, 2007 (copies enclosed) explaining reasons why the department was unable to process your ownership change requests for the above referenced water rights, and giving you the possibility of options so that the ownership changes could be accomplished remains unanswered.

Therefore, your ownership change requests will not be processed. Issuance of a refund in the amount of \$75.00 for fees paid is in process. You should receive a State of Idaho check for \$75.00 within ten business days under separate cover. A copy of your ownership change request information will be kept in our files for reference.

The Department cannot process a Notice of Change in Water Right Ownership unless that water right is claimed or exempt in the Coeur d'Alene-Spokane River Basin Adjudication (CSRBA). A Notice of Claim is required for water rights established prior to November 12, 2008. For more information or to file on-line, go to <http://www.idwr.idaho.gov> and select "Northern Idaho Adjudication – File a Claim".

If you have any questions regarding this matter, please call me at (208) 287-4952.

Sincerely,

For
Emalee Rushing
Office Services Supervisor
