COMMUNICATION DOCUMENTATION

This form is to be used to document public record information requests regarding any SRBA claim or claims. The form may also be used to document IDWR communications requesting information regarding any SRBA claim or claims when the request is not made in writing or the claim verification report is not readily available to document the request. This form is to be filed in all relevant claim files or a central office file.

CUSTOMER

Fleming, Michael

SUBJECT: 37-07559

phone call (x) walk-in (.)

Called to make an appt. regarding the fish propagation permit. He said why do it if the adjudication process will be done, I suggested that if the examination is done now the adjudication claim would most likely be based on these findings. He said he will call me back in a few days to set something up in the future.
