**Re: Applications for Transfer (Grandview Ranch, Wulf Lebrecht)**

Dear Reviewing Agent:

Please find attached two applications for water right transfer and the associated processing fees.

Both transfers deal with the same water rights. The Lebrecht transfer splits off a portion of the Grandview water rights for use at a farm several miles north of the existing water right place of use. The Grandview transfer creates a permissible place of use within the farm for the remaining water rights.

An ESPA Transfer Spreadsheet Analysis is attached demonstrating the transfers meet the requirements for ESPA impact mitigation.

If you have any questions regarding the applications, please don't hesitate to contact me.

Thanks,

Jason C. Helms, P.E.
