Subject: RE: Ownership Change for 74-512

Hello,

I will mail the check for \$25.00 today. I got an e-mail from my sister stating that the surveyors had made a mistake in the description. She is in the process of getting that taken care of and will get the necessary paper work to you when it comes available. It is probably a good thing you caught that now! It could have been a bigger problem later.
Thank you for your help! Don

Subject: Ownership Change for 74-512

Donald,

As per our phone conversation today, September 7, 2011, your ownership change will require a filing. The filing fee is not required for water rights still pending in the adjudication. Water right number 74-512 was partially decreed on 8/25/2000 therefore the filing fee will be required. The filing fee for an ownership change is \$25.00 for water rights not requiring a split and \$100.00 for water rights requiring a split. According to the information given to the department a split will not be required so the \$25.00 fee will be required. Please send the filing fee payable to IDWR to our office in Idaho Falls at:

IDWR-Eastern Region
900 N Skyline Ste A
Idaho Falls ID 83402

Also I will contact Jean Stockton regarding the questions on the legal description on your deed vs the legal description for the place of use of the water right. Thank you for your time and I hope you have a wonderful day!
