Subject: Water Bank Lease Applications- Visser Holsteins

Dear Monica:

Please find the enclosed twelve applications to lease water to the Water Supply Bank (WSB) submitted on behalf of Visser Holsteins, Eagle View Farms. Visser's have a large PPU with a combined irrigation limit of 4,900.3 acres, we are requesting to place a total of 2,206.3 acres into the water bank, the remaining 2,694 acres will continue to be irrigated within their PPU. A map is included for each of the lease applications and lists their associated acreage.

According to the data shown in the attached lease application, I would ask that the WSB lease application be approved, and that the rights be approved at the current rental rate.

Enclosed is a check #10259 in the amount of \$500.00. If you have any questions regarding this application, please feel free to give me a call. Our office is requesting copies on all correspondence regarding the WSB lease application process for rights described in the lease application. Thanks and have a great day.

Sincerely,

C.E. Brockway P.E.
