

MEMORANDUM

Date: September 16, 2011
To: Transfer 77503
From: ameritt
Re: review and approval

This transfer was processed in the region. The application has no hydrologic impact so was not advertised. The right involved is not regulated by a watermaster so no comments were received. It is being approved out of the region as drafted. The applicant submitted a map depicting the authorized 289.5 acres to be irrigated within the 605 acre permissible place of use. This shape is attached to the irrigation use in the GIS POU layer in accordance to the 206 condition.
