Re: Refund request for fees paid under C086240

On May 11, 2008, Richard Brown paid \$100 in field examination fees in connection with submittal of proof of beneficial use.

On June 11, 2009, SPF Water Engineering submitted a water right exam on behalf of the permit holder and requested refund in filing fees.

The field examination was deemed acceptable so please refund \$100 in fees to the original payer, Richard Brown.
