Dear Ms. Block

Thank you for sending the paper work for the proof statement, we will send it in very shortly. I will also give my brother a copy of the same paper work because he is in the same state of bewilderment as I am, and is only a couple of lots down from me. Thanks again for your help and understanding, and please again accept my apology if I was being difficult.

Best regards

Jim and Alice Kuntz

Dear Mr.& Mrs. Kuntz,

Re: Our Phone Conversation Today & IDWR's Statement of Completion Form for Permit No. 95-12778

It is my understanding per our phone conversation this morning that you have been using water from the Coeur D'Alene Lake for the purpose of Domestic use since the early 1970's.

Please fill out the attached Statement of Completion form, and submit it With a \$50.00 license examination fee to The Idaho Department of Water Resources at 322 E Front St PO Box 83720 Boise Idaho 83720-0098

I also have attached a copy of your Permit to Appropriate Water for your reference. If you have any questions regarding the form or the fee, please contact me at (208) 287-4945

Sincerely,

Darla Block
