From: shemenway
Re: Phone Conversation

Today, Alfred Holden was contacted via phone (208)839-2800. His warranty deed states that the property owned (POU/POD) are located in govt lot 8 SWSW. He also stated that the POD has always been located there slightly under the bridge. For this reason, the entire POU will be listed under govt lot 8 SWSW (matching the original plat map).
