CONDITIONS OF APPROVAL

1. Proof of application of water to beneficial use shall be submitted on or before **October 01, 2013**.
2. Subject to all prior water rights.
3. The place of use is the Jerome High School.
4. Use of water under this right shall be non-consumptive.

State of Idaho
Department of Water Resources
Permit to Appropriate Water
NO. 36-16898

5. Use of water under this right is for a closed-loop system. No storage of water is authorized under this right.
6. All water diverted under this right shall be injected back into the Eastern Snake Plain aquifer. The injection well must be authorized by a separate injection well permit
7. The rate of re-injection of water under this right shall equal or exceed the rate of diversion.
8. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 130.
9. Prior to the diversion and use of water under this right, the right holder shall install and maintain acceptable measuring devices at the authorized points of diversion, in accordance with Department specifications.
10. Right holder shall comply with the drilling permit requirements of Section 42-235, Idaho Code and applicable Well Construction Rules of the Department.
11. Project construction shall commence within one year from the date of permit issuance and shall proceed diligently to completion unless it can be shown to the satisfaction of the Director of the Department of Water Resources that delays were due to circumstances over which the permit holder had no control.
12. Any license issued by IDWR pursuant to the right or portion thereof for the use of trust water is subject to a term review of 20 years after the date of this approval to determine availability of water for the use and to re-evaluate the public interest at the end of the term.

This permit is issued pursuant to the provisions of Section 42-204, Idaho Code. Witness the signature of the Director, affixed at Boise, this 12th day of September, 20 11.

GARY SPACKMAN, Interim Director

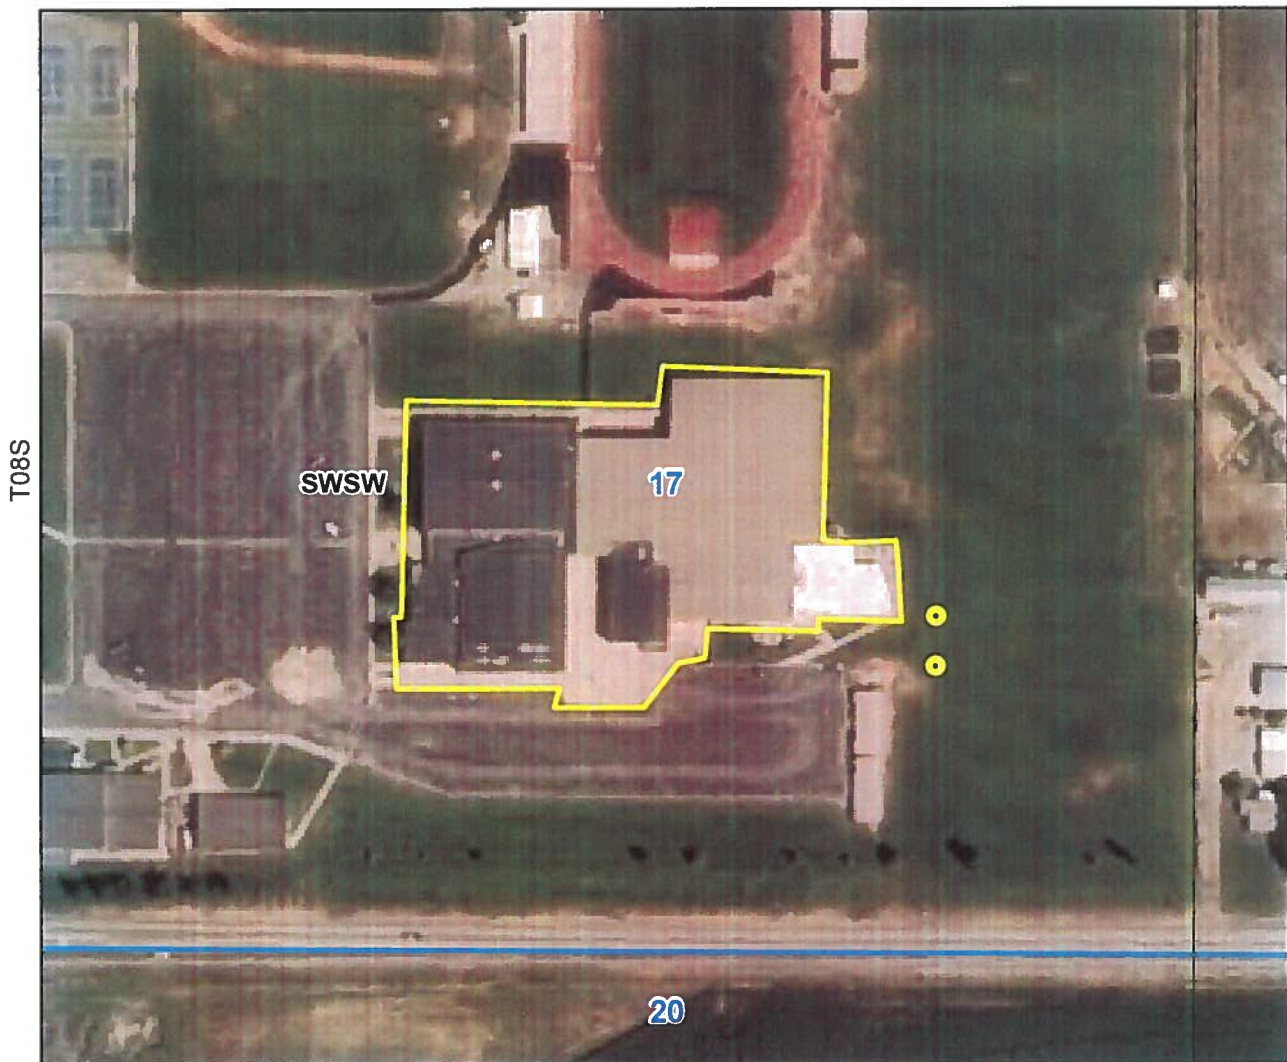

State of Idaho
Department of Water Resources
