RE: Change in Ownership Water Right No. 73-12121

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Water Right Ownership:** copy of Recorded Deed, Title Policy or other legal document indicating your ownership of the property and/or water rights in question

During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for the water right(s) indicated in your notice. On August 12, 2011 our department returned your application requesting additional documentation and a late filing fee. On August 18, 2011 our department received your application with the additional items needed. However it appears the Quitclaim deeds submitted with your application are for property located in Township 18 North Range 18 East. The place of use of the water right mentioned above is in Township 16 North Range 20 East Sections 25 and 36. Please provide the deeds for the property within that description so the department can update the water right. Please find attached a copy of the proof report showing the elements of the water right for your review.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
