**RE: Review for Licensing**

---

### **Ownership:**

8/4/2009 Tax Lot information confirms Barbara A. Brown as the owner. At the time of the 8/26/2011 field exam, an ownership change form was left with Barbara since her married name is now Barbara Lowe (husband Bryan Lowe).

### **POD/POU Overlap:**

No POD overlaps. POU overlap: 79-14053 City of White Bird (is used for culinary/potable water inside the house). No other overlaps.

### **Physical Address:**

335 Quail, White Bird, ID 83554. Directions: north on River St, right on Everest, then left on Quail all the way to the end.

### **Special Administration Area Notes:**

The Salmon-Clearwater Moratorium does not apply to domestic uses as defined in Section 42-111, Idaho Code. (The statutory exemption for domestic use is interpreted to apply only to groundwater; however, for moratorium purposes, surface water is also exempt.)

The application was originally filed in April of 1994 for (2005) irrigation of 1 acre at 0.03 cfs; a \$30 filing fee was paid at that time. In April of this year, the applicant amended the application to domestic use for 1 home at 0.04 cfs. The filing fee paid in 1994 would have covered the change in the rate of diversion so there was no need to collect additional filing fees. The application was never advertised, so an amendment fee is not applicable either. The priority date will have to be advanced, however, due to the increase in rate and other changes made.

### **CFS:**

8/26/2011 Field Exam, physical measurement = 0.06 cfs

Theoretical = 0.10 cfs

Recommend: 0.04 cfs as permitted (internal/shop, external/garden & yard)

### **Volume:**

Recommend: IDWR Standard for Domestic internal/external = 1.2 AF
