Re: Change in Water Right Ownership of 63-257

Dear Mr. Westra:

Settlers Irrigation District is purchasing water right 63-257 from Hoff Companies, and is therefore submitting a Notice of Change in Water Right Ownership along with a Water Right Purchase and Sale Agreement between the two parties as required by IDWR.

Water right 63-257's current place of use is located within the boundaries of Settlers Irrigation District. With the Change in Water Right Ownership the place of use will remain within the boundaries of Settlers Irrigation District.

If you have any questions or require any additional information please contact me at 343-5271.

Sincerely,

Nathan Draper, Manager
Settlers Irrigation District
