RE: Change in Ownership for Water Right No. 22-11784

Dear Sundown Property LLC:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. We found some discrepancies between your documentation and the legal description of the place of use for the water right(s) indicated in your notice. We have enclosed a copy of the water right and a map for your reference. As the map indicates, a portion of the place of use for this water right is located in Section 1. Please either submit verification that you own the property in Section 1. If you do not own this portion of the water right, we will need to split this water right. In that case, an additional \$75.00 would be needed as the fee to split a Water Right is \$100.00.

Because the Department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary information or fees. If we do not receive the necessary information or fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Bobby Kern
Office Specialist II
