Monica,

I spoke with Paul a few days ago and he expects the lease from FMC to work. Have you received confirmation from him to that effect?

Attached is an Application to Rent Water for my client, Kevin Loveland, together with a map showing the point of diversion and place of use. Would you prefer that I mail you the original, or does this work?

Thanks,

He contacted his clients as of yesterday. It's Paul Arrington, by the way. He said he believes they still want to lease the water but will get confirmation directly from them.

Hi T.J.,

I got your message last week and just want to let you know I am following up. The original FMC lease application says they wanted the lease until the transfer is approved. That transfer was approved in 2009 so I want to make sure they still intend to lease the water. I have a message in to their attorney and I will call you as soon as I hear back from him.

Monica
