RE: Permit Nos. 22-13416, 22-13417, 22-13418, 22-13419, 22-13420, 22-13421, 22-13422, 22-13423, 22013424, 22-13425, 22-13426, 22-13427, and 22-13428

Dear Permit Holder:

The Department acknowledges receipt of your letter dated August 17, 2011, requesting a refund in the amount of \$900.00 paid for field exams to be conducted on the water appropriation permits listed above.

On June 10, 2010, you filed a Statement of Completion ("proof") form and license examination fee for each of the permits listed above. However, the Department would not have accepted your proof statements for any of your permits had you not paid the proper license examination fee associated with each permit.

Section 42-217 (6), Idaho Code, states:

"Such other information as shall be required by the blank form furnished by the department. Such written proof as may be required to be submitted by such user shall be upon forms furnished by the department of water resources and shall include fees as provided in subsection K of section 42-221, Idaho Code, or a field examination report prepared by a certified water right examiner."

Because of the fees you paid, the Department accepted and processed all 13 proof statements you submitted with the Department on June 10, 2010. Therefore, the Department is unable to refund your check in the amount of \$900.00 at this time.

You may go ahead with hiring a certified water right examiner to conduct the field exams. Once the Department receives the field exams from a certified water right examiner, and the field exams have been determined acceptable by the Department, then the Department can issue you the \$900.00 refund.

If you have any questions, you may contact me at (208) 287-4945

Sincerely,

Darla Block
Technical Records Specialist
