RE: Application for Permit 13-7786

Dear Mr. Beckstead,

After entering the GPS points gathered by Dennis Dunn, it became apparent that your application needed adjusting. The legal description of the POD is actually in a different QQ than listed on the application. The application lists the POD in T14S R38E SEC 17 NENE but the GPS shows it to be in the NENWNE. The legal description of the POU listed on the application as T17S 38E SEC 17 NWNE but the township is incorrect, it should be T14S.

I have made the necessary corrections and enclosed an amended application for your signature. Please review, sign and return the application to the office at your earliest convenience. If you have any questions, please feel free to call me at the office.

Sincerely,

Denise Kidman
Water Resource Agent
Eastern Region
