Re: John Lezamiz Family LTD Partnership Water Rights

Dear Mr. Carlson:

In accordance with conditions set forth by IDWR for water rights 34-230, 34-232, 34-231, 34-2275, 34-2418 and 34-2350 I am notifying you concerning the location of 155 irrigated acres under these water rights for the 2010 growing season. The change is shown in the attached aerial map. It is desired to only irrigate acres that can be beneficially used under the operation of pivot irrigation systems. A total of 155 acres will continue to be irrigated within the 490.9 acre PPU. A new 29 acre wiper pivot will be installed in the Fall of 2009 and will begin operation in the Spring of 2010.

Sincerely,

Greg Sullivan, M.S., E.I.T.
