RE: Permit No. 79-14238

Dear Permit Holder(s):

The Department acknowledges receipt of your letter dated August 26, 2011, notifying our Department of Idaho Department of Fish & Game's approval of your in-creek water screen on the intake device. The Department acknowledges your compliance with condition no. 3 of the above mentioned permit to appropriate water.

The next step in the process of developing a water right is for the Department to conduct a field examination to determine and confirm the use being made of the water.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office, or at the Department's website at: www.idwr.idaho.gov

If you have any questions concerning the field examination, please contact the Western Regional Office of the Department in Boise, Idaho 208-334-2190.

Sincerely,

Darla Block
Technical Records Specialist
