**RE: APPLICATION TO RENT WATER FROM THE WATER SUPPLY BANK  
WATER RIGHT NO(S). 13-43, 13-44, 13-45 and 13-46**

Dear Renter:

The Department of Water Resources ("Department") acknowledges receipt of your application to rent water from the Water Supply Bank ("Bank"). I have enclosed a Water Supply Bank Rental Agreement for your review and signature. Upon signature and return of the original agreement, together with the rental fee described below, the Department will also sign the original agreement and return an executed copy to you. Execution of the agreement and compliance with the conditions of approval authorize diversion and use of water as provided in the agreement.

Please note this is the first of two rental agreements. This one authorizes the initial fill of the pond. The second agreement, under separate cover, will authorize continuing maintenance of the pond. A rental fee of \$101.92 per year was calculated based on the current rental rate of \$14.00 per acre-foot times a diversion volume of 72.8 acre-feet. Because of the nature of your agreement with the lessor, you need to pay only the 10% administrative fee of **\$101.92**. The agreement, and the second agreement, will be void if payment is not received. If you would like to terminate the agreement prior to the end of the rental period, you must submit written notice of your intent to the Department at least 30 days prior to the rental fee due date.

Please send a check made payable to the Idaho Department of Water Resources, together with the signed rental agreement, to my attention within 14 days so I can complete the processing. If you have any questions, please contact me at (208) 287-4907.

Sincerely,

Monica Van Bussum  
Sr. Water Resource Agent
