Re: **Water Right: 36-16234 and 36-16229**

Dear Wateruser:

The Idaho Department of Water Resources has received return mail for the owner listed for the above water rights.

Tax Lot information indicates you may be the owner of all or part of the above listed water rights. Before we can modify our records to reflect any change of ownership for the water right referenced above, we need to have a Notice of Change in Water Right Ownership form completed and returned with the appropriate support data and filing fee. It is the responsibility of the **new owners** to have changed these ownership records. I do not find any pending ownership change forms that have not been processed. I have enclosed a form for Change of ownership and water right report with detail about this water right. Further information may be obtained at our Public Website at: <http://www.idwr.idaho.gov/>

If you have any questions regarding this matter, please contact the State Office.

Sincerely,

Christine Roberts
