RE: Permit No. 67-7937

Dear Ms. Hawkins:

Permit 67-7937 is currently being reviewed for licensing. The Department's field examiner found you could divert 0.33 cubic feet per second (cfs) for your diversion to storage use. However, because you only paid an examination fee for 0.20 cfs when you submitted your Proof of Beneficial Use, the license will be limited to 0.20 cfs.

If you want this water right license to reflect the 0.33 cfs recommended by the examiner, you must submit an additional examination fee of \$50.00, plus a late payment penalty of \$25.00, within 30 days. If we don't receive the additional examination fee/late fee of \$75.00 within 30 days from the date of this letter, we will assume you are not interested in the additional 0.13 cfs of water and we will license the permit for 0.20 cfs.

In talking with Lori Graves, of our Western Regional Office, I was informed that you have moved to Fruitvale. In order for us to change your mailing address we would like you to complete and submit the enclosed Change in Address form so we can correct your mailing address in our computer. We cannot make an address change without a signed document from the water right holder.

If you have any questions, please feel free to contact me at (208) 327-7944.

Sincerely,

KAY WALKER
Sr. Water Resource Agent
