Re: Application for Transfer #75446 and Water Bank Application for 63-2812

Dear Ms. Hemenway:

Enclosed please find an application for transfer formerly in the name of Howell-Murdoch Development Corporation and Kevin A. Howell Construction, Inc. and now in the name of Sienna Hills Development Corporation. Accompanying the application for transfer is an application to lease a portion of water right 63-2812 to the Water Supply Bank. These applications deal with irrigation water rights from ground water that will be used for shoulder season irrigation on lands also served by Nampa and Meridian Irrigation District and Wilder Irrigation District within the Sienna Hills Subdivision. At the point the water rights covered by the transfer process are acceptable to the City of Caldwell, the water rights and irrigation system will be turned over to the City to own and operate.

Please let me know if you have any questions or need any additional information. Thank you for your help.

Yours truly,

David B. Shaw
