Subject: Transfer 75446 Sienna Hills Development---request for additional information

Hi Dave,

Here is a list of the items needed to complete this transfer:

- (1) \$40 additional fee (for increase from 1.95 cfs to 2.18 cfs)
- (2) Confirm the section number on page 6 of 23, on the application, #2 Lands Irrigated or Place of Use (POU). Should this be Section 23?
- (3) Submit a Map showing unchanged portion of 63-2812, and 63-10438.
- (4) Submit a Map showing the shape/location for the completed transfer POU, and location of POD.
- (5) On the application, it states that 3 irrigation wells are going to be consolidated into 1-POD for the pressurized irrigation system serving Sienna Hills Subdivision; that the other wells will no longer be used for the subdivision. Are they abandoning these wells? If not, what are they going to do with these wells?

Please submit these items within the next 30 days.

Thanks so much,
